Aurionpro's iCashpro Expands Footprint in South Asia with New Win in Sri Lanka

Second major Sri Lankan bank turns to Aurionpro's iCashpro in under a year

Mumbai, India, June 09, 2025: Aurionpro Solutions Limited (BSE: 532668) (NSE: AURIONPRO) is proud to announce a landmark deal win in South Asia with one of Sri Lanka's largest and most respected banks featuring in The Banker's *Top 1000 World Banks* list. This marks the Company's second major win in the Sri Lankan market within a year, further strengthening its regional presence.

Under this multi-year engagement, valued above US\$ 2.5 Million, Aurionpro will deploy its advanced *iCashpro* cash management and transaction banking platform. The solution to be delivered integrates advanced AI-driven enhancements from Arya.ai and specialized functionalities from Fintra. The scope of work encompasses licensing, implementation, and maintenance and support —aligning directly with the Bank's long-term digital transformation roadmap.

iCashpro is a next-generation transaction banking platform that provides a comprehensive solution for full-spectrum corporate banking, delivering a superior and consistent client experience across customer segments in order to enhance time-to-market, acquire improved cash visibility, and minimize expenses.

Sandeep Chiber, EVP – Head, APAC & MEA, at Aurionpro Solutions, affirmed the strategic importance of this win. He said, *"This marks the seventh major competitive win in the transaction banking space in Asia over the past few quarters. Our rapid market penetration and emergence as a preferred partner in Asia are attributable to the strength of our next-gen iCashpro platform. Backed by advanced AI capabilities,*

we have engineered a future-ready transaction banking solution poised to redefine the corporate banking experience for the Bank's clientele. The strong demand and accelerated digitisation across the banking sector in the region further reinforces our commitment to delivering innovative, next-generation solutions."
