SC Soft Inc. Canada

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31 MARCH, 2025

Note 1- DESCRIPTION OF BUSINESS

SC Soft Inc. Canada ("the Company") was incorporated and headquarters in Montreal, Canada. The Company's main business activity is developing, testing and selling specialized software of automatic fare collection systems for smart transits industries.

Note 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements were prepared in accordance with Canadian accounting standards for private enterprises (ASPE) and include the following significant accounting policies:

Use of Estimates

The preparation of financial statements in conformity with Canadian accounting standards for private enterprises requires management to make estimates and assumptions that affect the reported amount of assets and liabilities, disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the period. Such estimates are periodically reviewed and any adjustments necessary are reported in earnings in the period in which they become known. Actual results could differ from these estimates. Estimates are included in the following accounts:

- Reported amounts of revenue and expenses during the current year;
- Reported amounts of assets and liabilities; and
- Disclosure of contingent assets and liabilities at the date of the financial statements.

Revenue Recognition

The Company earns substantially all of its revenue from the software development, maintenance, testing and support services to its customers. Revenue is recognized when earned, specifically when all of the following conditions are met:

- Services are provided to its customers.
- There is clear evidence that an arrangement exists.
- Amounts are fixed or can be determined.
- Company's ability to collect is reasonably assured.
- No significant obligation for future performance remains.

The Company records payment received in advance including upfront non-refundable payments as deferred revenues until the services to customers are provided or delivered.

License revenue is recognized upfront at full amount, based on the customer contract and proof of delivery of license to the customer.

Impairment of assets

Assets are tested for impairment: whenever events or changes in circumstances indicate that their carrying amount may not be recoverable. An impairment loss is recognized when the carrying amount of the asset exceeds the sum of the discounted cash flows resulting from its use and eventual disposition. The impairment loss is measured as the amount by which the carrying amount of the asset exceeds its fair value.

SC Soft Inc. Canada
SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES FOR THE YEAR ENDED 31 MARCH, 2025

Property and Equipment

Property and equipment are stated at cost, net of accumulated depreciation. Depreciation is computed over the asset's estimated useful life using straight-line depreciation methods, generally three to seven periods. Amortization of leasehold improvements is computed over the shorter of the improvement's useful life or related lease term. Expenditures for major renewals and betterments that extend the useful lives of the property and equipment are capitalized. Expenditures for maintenance and repairs are charged to expense as incurred. When items of property or equipment are sold or retired, the related cost and accumulated depreciation is removed from the accounts and any gain or loss is included in the results of operations.

Depreciation and amortization

Depreciation and amortisation expense are calculated by using accelerated and straight-line methods based on their estimated useful life of the assets.

Computer and office equipment 5-7 Years

Income taxes

The Company uses the income tax payable method of accounting for income taxes. Under this method, income tax payable at actual for the year are recorded.

Financial Instruments

The Company initially measures its financial assets and financial liabilities at fair value, except for certain non-arm's length transactions if any.

The Company subsequently measures all its financial assets and financial liabilities at amortized cost. Changes in fair value are recognized in net income.

Financial assets measured at amortized cost include cash, accounts receivable, prepaid expenses, deposit and advance to related companies.

Financial liabilities measured at cost include, accounts payable and accrued liabilities, payroll liabilities, due to government agencies and amounts due to related parties.

The Company has a comprehensive risk management framework to monitor, evaluate and manage the principal risks assumed with financial instruments. The principal risks assumed by the Company are credit risk and currency risk.

Credit risk

The Company is exposed to credit risk through its account receivable. There is no concentration of risk with respect to any of our customers. The company maintains a policy of credit review for all of its customers and establishes an allowance for doubtful debts when amounts are not collectible.

Currency risk

The Company is exposed to currency risk due to a portion of its sales and expenses is incurred in U.S. dollars and Indian rupees, resulting in accounts receivable and payable in foreign currencies subject to gains or losses due to exchange rate fluctuations.
